Saturday, August 22, noon-2pm
Hazel Ruby McQuain Park

The Morgantown Town Hall & Recess Rally will be held Saturday, August 22, from 12noon-2pm at the Hazel Ruby McQuain Park amphitheater along the riverfront, in Morgantown. The sponsor, Morgantown Tea Party, is concerned about the government take over of health care.

There will be a forum to discuss proposed national health care reform legislation and participants can ask questions or offer input. Cindy Frich, former WV House of Delegates member (R-44th), will moderate the forum. Forum participants include individuals with knowledge in various areas impacted by the healthcare reform legislation and HR3200.

Congressman Alan Mollohan (D-WV1), Senator Jay Rockefeller (D-WV), and Senator Robert C. Byrd (D-WV) have been invited to participate.

This event is sponsored by the Morgantown Tea Party. Please join us to participate and hopefully learn more about this important issue. For more information call Cindy Frich (304) 599-1309.
